What are the key issues affecting bees?

Use the knowledge you have gained in this lesson to write a **letter** to the local **Mayor** to explain the threats bees face today. Highlight the **risks for the future** and mention any ways that you think bees could be **conserved**. Use the **word bank** below to help you.

word bank				
conserve	highlight	wildflowers	climate change	herbicides
decreasing	importance	pollinators	pesticides	phone masts
