Cartographer

Dear children,

My name is Jahan. I am a cartographer, and it is my job to gather information about the geography of an area and create maps. The prime minister has asked me to find out about the geography of parks across the UK. Unfortunately, I can't get to all of the parks in time!

So, I would like your help! I know that you are all brilliant geographers. I will need you to carry out some fieldwork, collect data and present it so I can share the information with the prime minister.

Could you help me? I would be so grateful. Your first task will be to find out where your local park is and how people can get there.

Yours faithfully,

Jahan
