

# Activity 1

Imagine you are building your own **settlement in the past**. **Cut out the site and situation features** and **stick them** on the Diamond 9 template from **most to least important**, in your opinion.

The diagram is a large diamond shape composed of nine smaller diamond-shaped cells. The cells are arranged in a 3x3 grid. The top cell is labeled 'most important' and the bottom cell is labeled 'least important'. The cells are intended for students to place site and situation features for a settlement in the past, ranked by importance.

most important

least important

Write an **explanation** for why you have chosen this **order**:
