

# Why do people explore?

## Key Historical Skill: Cause and Consequence

**Match up** the **person** with the **reason** they became an explorer.

Sir Edmund Hillary

This explorer cared about the oceans and all that lived in them.  
**They wanted to make a difference.**

Ibn Battuta

This explorer **followed their passion** for climbing and exploring.

Sylvia Earle

This explorer **wanted to be the first** to travel to certain parts of the world.

Roald Amundsen

This explorer went on a religious journey and decided to **see more of the world** at the same time.
