

# Science Investigation Planning

L.O - I can investigate different ketchups 

**Question** – (What do we want to find out?)

We want to find out...

---

**Equipment** – (What equipment will we use?)

We will use:

---

**How will you test how runny the ketchup is?**

---

**How will you test how the ketchup sits on the hot dog?**

---

**How will you test the taste of each ketchup?**

---

**Measure** – (How are we going to record our results?)

We could record our results by using...

**diagrams   bar charts   drawings   photographs   descriptions**  
**tables   tally sheets   writing lists   pictograms**

**Prediction** – (What do you think will happen?)

I predict that...

---
